SAMUEL MWANGOKA

PRINCIPAL OF TUKUYU SCHOOL OF NURSING

He is a highly experienced Nursing Educator with a strong academic foundation, holding a Bachelor of Science in Nursing and a Master of Science in Midwifery and Women's Health from Muhimbili University. With a dedicated career spanning over 14 years, he has significantly contributed to nursing education and professional development in Tanzania. He currently serves as the Principal of Tukuyu School of Nursing, where he plays a pivotal role in training the next generation of healthcare professionals.

Throughout his career, Mr. Mwangoka has demonstrated exceptional leadership and commitment to the nursing profession. He has actively engaged in professional advocacy and development through his longstanding involvement with the Tanzania Nurses and Midwives Association (TANNA). His leadership journey within TANNA includes serving as Secretary and Chairperson of the Mbeya Zonal Referral Hospital branch. At the national level, he ascended to the roles of Vice Executive Secretary and eventually Executive Secretary, a position from which he recently retired.

NATIONAL HEALTH POLICY

CHACHA GODFREY JOHN
EXECUTIVE SECRETARY - TANNA

Chacha Godfrey John is a dedicated healthcare professional with a strong academic and leadership background. He holds a Bachelor of Science in Nursing from the University of Dodoma and is currently pursuing a Bachelor of Laws at the Open University of Tanzania, reflecting his commitment to both healthcare and legal advocacy.

His professional journey includes significant leadership roles, notably serving as the Head of the Department of Nursing and Midwifery at Tanga College of Health and Allied Sciences. In addition, he holds the influential position of Executive General Secretary of the Tanzania National Nurses Association (TANNA), where he contributes to advancing the nursing profession and influencing health policies in the country.

PUBLIC HEALTH ACT 2009

MOSES EVARISTO
PRESIDENT - MOFATE

Mosses Evaristo is a graduate of the Bachelor of Science in Nursing Education from the Catholic University of Health and Allied Sciences (CUHAS). With over seven years of professional experience, he has built a career grounded in teaching, leadership, and the provision of high-quality nursing and midwifery services.

Throughout his career, Mosses has held various leadership roles that have significantly contributed to healthcare education and service delivery. His most notable accomplishment is founding The Mobile Facilitation Team (MOFATE), a platform dedicated to enhancing healthcare professional development and service quality through innovative facilitation and collaboration.
